

Hello and Welcome to our wonderful Community of Marathon in the beautiful Florida Keys. Please stop in at the Visitor Center for more information when you arrive in the Islands of Marathon.

We are an island chain, connected by bridges located south of Miami, Homestead & Florida City. Take the Florida Turnpike South (it will end at US 1) continue South to “The Keys”. Since US 1/Overseas Hwy is the only road into and out of our Keys, we identify where places are by the highway “Mile Markers” which run from about 127 to 0 which is found at the Southernmost Point in Key West.

Marathon is located approximately between mile marker 47 & 61; we are the Middle Key known as “The Boating & Family Destination” of the Keys. There are many fun activities here & lots of boating, snorkeling/diving, fishing, attractions, beaches and just about any water outdoor activity imaginable. We offer lovely accommodations that meet every budget from 5-star to local mom n’ pop motels. Marathon truly has it all; Tropical Island living with the infrastructure needed for your family and to operate and/or expand your business. We have an airport, harbor, hospital, A-rated elementary, middle and high schools, police and fire stations, one of the lowest tax/millage and crime rates in the USA and are only a 2 hour drive to downtown Miami.

Enclosed you will find information that will be helpful for your relocation. If you are also looking for employment, please visit our Web Site at [www.floridakeysmarathon.com](http://www.floridakeysmarathon.com) Please click on the job link tab or try our local newspapers.

If we can assist you further, please feel free to contact us at anytime.  
Sincerely,

Greater Marathon Chamber of Commerce
